LANTERN MAKING WORKSHOPS

Our Lantern making workshops have begun in earnest! It has been a busy week with classes and parent/carers and friends of our school coming in to make their lanterns.

Last weekend was busy and we hope for another busy one in the week ahead! See attached form, for times and dates.

HEADTEACHER'S NEWS

Dear parent, carer, pupil, friend of our school,

The Lantern workshops got off to a brilliant start last Saturday with over 50 people attending. The workshops have also been well attended during the week with many amazing lanterns being produced. Please feel free to come along over the weekend from 10am-3pm each day to make a Lantern if you have not yet started or from Sunday onwards to cover your Lantern.

From next week the Star of Remembrance will be re-covered and available for anyone to write out a message and attach it. This can happen in Breakfast Club or in the Lantern Workshops themselves. In preparation for the Parade, glow sticks will also be for available in each of the Breakfast Clubs next week priced at 20p.

More parade information will be sent out in a letter early next week.
I look forward to seeing you all at the Lantern Parade next Thursday.
