HEADTEACHER'S NEWS

Dear parent, carer, pupil, friend of our school,

Congratulations to Zac Swan who has now been elected to our Pupil School Council. He will serve on the council for the rest of this year and throughout Year 6 and help to make decisions about our school development.

Congratulations also to our school football team who played some brilliant football against St Joseph's Primary School last Friday. The only thing they did not do was score a goal! So the game ended in a very entertaining draw. The player of the day was one of our super defenders Musa Fatty.

Well done also to our football B team who won 6-0 against Whinstone Primary School on Wednesday. Another excellent performance with the player of the day being Teigan Thompson, who has also been recently selected for the Stockton District Under 11's Girls Squad.

Please note the new date for our Cross Country Championships is Friday 15th May.

Enjoy the Bank Holiday weekend!

Best wishes
J.P.Repton

CROSS COUNTRY CHAMPIONSHIP

Due to bad weather, we unfortunately had to postpone our Cross Country Championships until Friday 15th May.

Apologies for this and fingers crossed for warm dry weather!

SATS

In the week beginning Monday 11th May the Year 6 children will take their SAT's tests. The tests will take place each day, Monday – Thursday.

It is exceptionally important that every Y6 child attends school every day, so as to give them the best chance, as they have been working very hard. In addition, please ensure that they arrive at school on time each day.

As we all want the children to do as well as possible, please make sure that your child gets an early night in bed each night, so that they are as rested as possible. So, we wish every child the best of luck.

As a staff, we are very proud of everything the children have already achieved and hope that they feel confident and prepared for this next challenge.
