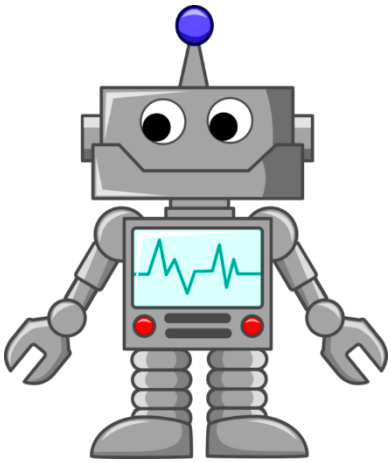
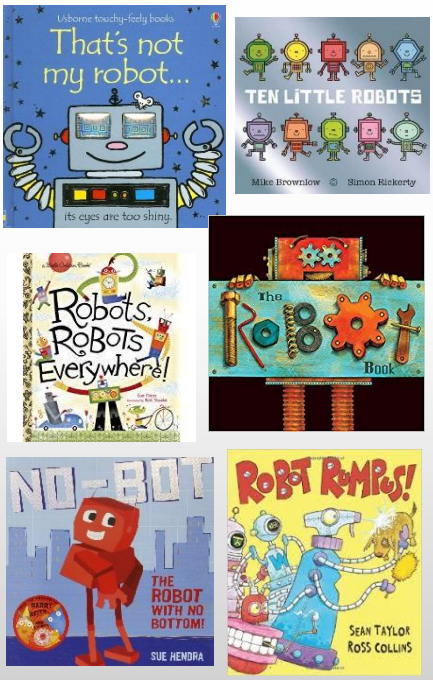
EE Spring Newsletter



Topic

This half term we are learning about Robots. We will be reading many books about Robots and learning about how they help us. If anyone has any ideas or a particular interest in robots that they could share with the children please talk to a member of staff.

Some of the Books we will be reading!



Please let us know if you have had a change of address or contact details!

Change of Clothes and Nappies

Please can we remind you to bring a change of clothes (and nappies and wipes if required) for your child to be placed on their peg. Also if your child is still in nappies could we please remind you that they should arrive at school with a clean nappy on, staff will change a child's nappy if it becomes soiled or particularly full, however staff shouldn't need to change a nappy during the 3 hour session. This is so that we can focus on teaching your child new skills. If you are potty training you child at home, we are more than happy to support you and your child.

Reading

Please remember that your child has access to the large choice of books kept in the entrance area and that they can change their book when you are dropping them off or collecting them from school. Research has shown that reading a bedtime story to your child every night will mean that they do better in school!

My Little Light!

Your child needs you to come into EE to help them make their Little Light for the Lantern Parade. Staff will be asking you soon which day you will be able to come into at the beginning of a session and help them create their Little Light, it will only take about 30 mins to make with your help!

Thank you for your continued support

Mrs J Robinson, Mrs L Robinson, Mrs Taylor, Miss Stott and Mrs Bell

Dates for your diary

Lantern Parade - Thursday 7th February – 6pm

My First Lantern making – 28th Jan – 6th Feb

FS1 Parent Consultations – 27th Feb and 1st March
