HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

The wet grass and the threat of further rain meant that we took the decision to postpone our school Cross Country this morning. We have rescheduled for 9.30am on Friday 17th June. Fingers crossed for a lovely dry day.

It has been a great week at Tilery. We are now half way through Science fortnight, with all pupils enjoying their super hero themed experiments, the Y6 pupils enjoyed their post SATs celebratory Bowling trip, the Y3 children learned how to become skilled Roman soldiers on their visit to Arbeia in South Shields, the Y2s learned more about a famous locally born man at the Captain Cook's Museum in Middlesbrough, the Fine Art Club members got close up and personal whilst sketching the Angel of the North, before making models of the Kittiwakes at the Baltic Art Gallery in Gateshead, the Y4/5 and Y5 classes enjoyed their visit to a recently restored Sikh temple in Darlington and 6 Y6 pupils got to learn about University life during a visit to the Harris Manchester College in Oxford. We have also all enjoyed the visit of some young Americans who have been with us during the week. Many thanks to Stockton Parish Church for organising this for us

Congratulations to our netball team who started their league fixtures with a 15 nil win against St. Joseph's school in Norton, our Y1/2 football team who were brilliant in their 8-1 victory against Norton school and our Y5/6 football team who won 3-2 against Caldicotes Primary School in Middlesbrough. Player of the day was Cieran Broady for a very strong and energetic performance.

Have a great weekend,

J.P.Repton

GOVERNORS NEWS

Full Governing Body Meeting 12th May 2016

Governors expressed their sorrow at the news of Roz Prichard's death. They recalled his outstanding commitment and dedication to the pupils and families of Tilery Primary School. He was a big man with a big personality whose kindness and sense of fun impacted greatly upon the many children he taught. He worked tirelessly to instil within his pupils a love of learning and encouraged them to do their best in all things. After retirement he continued to be involved in the life of the school – serving as a governor, volunteering to work in classes and heartily supporting many community activities. We will all miss him!

Liz Miller - Chair of Governors

Curriculum Committee Meeting 19th May 2016

At this meeting, governors agreed to commemorate the life and work of Roz Prichard (a passionate wordsmith!) by creating a writing award. A certificate (to be known affectionately as a Roz!) will be awarded termly to a child in each year group for an exceptional piece of writing. Good luck to all our talented pupils!

VISITS

Y6 Oxford Trip

On Wednesday, 6 lucky Year 6 pupils got the chance to have an amazing tour at Oxford University. But that's not all! We also went to The Natural History Museum and we saw a Japanese Spider Crab (which was stuffed).
We also went to Pitt Rivers and we saw some shrunken heads. After all that fun we saw Albert Einstein's blackboard!

We all had an amazing time and especially enjoyed the chicken dinner. Thanks to Mrs Fearn for organising it.

By Lillie-Jo & Molly – Year 6

Y3 Visit to Arbeia

On Tuesday Year 3 went to Arbeia, a Roman fort near South Shields, because we are learning about the Romans. First we met a Roman centurion called Maximus. He trained us how to be real Roman soldiers and we dressed up as Romans. We had swords, shields and helmets. Next we went to the herb garden. As Arbeia was a supply fort they have grown their own food. We got to play on the ruins and dig for artefacts like archaeologists. **By Year 3**

ATTENDANCE – 09/05/15 –13/05/15

Class	%	Position
Mrs Roberts	100%	1st
Miss Hunt	99.4%	2nd
Miss Henderson	99.1%	3rd
