## HEADTEACHER'S NEWS

Dear parent, carer, pupil, friend of our school,

Many thanks to everyone who contributed to a very successful Summer Fayre. We made £1103.87; every penny of which will be used to support our pupils visits throughout the rest of the Summer Term.

Well done to Libby Hutchinson and her team for winning this year's FA cup after a very close final. Congratulation also to Owen Place and his team for finishing as runners up after the nail biting penalty shoot out. Players of the day were Scott Hamilton and Jack Canham after huge performances.

Next Monday our school football team will be playing Frederick Nattrass Primary school in the quarter finals of the Stockton League Cup. The game will take place at Tilery School with the kick off being at 4pm. Supporters are very welcome.

For the first time ever this summer at Tilery Primary School we will be running Football Camps over 3 weeks of the school holidays. This will be open to children from Year 1-6. Please look out for the letter coming out next week which will provide extra information and an expression of interest form.

Have a good weekend

Best wishes

J.P.Repton

## YEAR 4 VISIT TO STEWART PARK

Year 4 went on a visit to Stewart Park in Middlesbrough as a reward for full attendance on 3 occasions this year.

We saw the place where James Cook's house used to be and saw some totem poles which looked lovely and colourful.

There were lots of animals and a cheeky squirrel was up on the roof of the museum!

We bought drinks and things from the gift shop too. Then we went in the play area and had a great time!

## SAMBA DRUMMING

On Monday we went in the big hall to do samba drumming. The person who helped us was called Al. He was from Rock School UK. They were six different types of drums and we were able to have a go at playing them. Year 2 had a wonderful day. We did some loud music and quiet music. When Al said "cold fish fingers" he shouted. Al was leading us and we had to repeat. My favourite one was the ago-go bell.
