

## **HEADTEACHER'S NEWS**

Dear Parent, carer, pupil, friend of our school,

Congratulations to our Y5/6 Tigers football team for their excellent performance on Wednesday, with an 8-1 victory against Whinstone Primary School from Ingleby Barwick. The children played with a huge amount of effort and determination, with many children finishing the season with their best performances of the year. A special mention to Lola Paterson and Archie Brown who had outstanding games and Ben Scott for his special goal/cross but the player of the day was McKenzie Gill for his typically determined leaders display. As the school year comes to a close I would like to wish our Y6s pupils all the very best for the future. They have been a great group of children who have flourished in their last year of Primary school. I know they will do well in the next stage of their education.

I would like to thank parents and carers for supporting their children and the school throughout the year. It has been another good year for Tilery with many highlights along the way. I hope that pupils and their families all have a lovely summer holiday and come back refreshed for the new school year, which begins on Wednesday 4th September.

Please note that building work will begin on our new family hub during the summer break. This will mean that extra care should be taken, as pupils and children approach the school from Northport Road, as extra barriers will be in place around the builders work area.

With very best wishes for the summer

J.P.Repton

## **GOVERNORS NEWS**

Dear Parents/Carers,

Governors would like to extend thanks to all staff and pupils, who have worked hard throughout the year to raise standards in all areas of the curriculum. Congratulations to Y6 for excellent results, achieved in the Key Stage 2 SATs - we wish them good luck at Secondary School. Thanks also to pupils who have so ably represented our school at sports events, musical performances, residential visits etc.

We would like to say a special thank you to Julia Robinson, for her dedication and hard work developing the Early Years provision at Tilery School, and we wish her success in her new role as a Deputy Headteacher in Darlington. Good wishes too for Nathan Cliff, as he leaves to take up a teaching position in China.

We hope everybody has an enjoyable summer holiday.

Best Wishes, Liz Miller Chair of Governors

## Tilery Primary School wins gold for Stockton on Tees

Tilery Primary School in Stockton on Tees has been awarded a gold award by the Woodland Trust for getting involved in

green activities including tree planting, visiting a local woodland, reducing carbon emissions and recycling.

The Green Tree Schools initiative, which has seen more than 12,000 schools sign up since it was launched in 2008, offers the opportunity to bring the great outdoors, wildlife and green issues into the classroom.

Schools win awards for participating in green activities, which include tree planting, reducing carbon emissions and recycling. Tilery Primary School has planted new trees in their school grounds, visited local woods, reduced their carbon emissions and joined in various other Woodland Trust activities, completing the award by having a "Tree Party".

Christine Pratt, Forest School Leader and Pupil and Family Support Worker, from school said: "The children have worked really hard and developed a passion for the woodland, trees and the environment. We encourage the children to share this enthusiasm with their families and in the future their children and grandchildren"

#### Karen Letten, Woodland Trust schools and communities engagement manager, added:

"The scheme promotes a range of opportunities, each designed to stimulate a child's imagination and sustain their interest in woods and trees. The achievements of the school are recognised through an awards scheme in which they receive points for taking part in activities. As they reach milestones within the project they will receive bronze and silver certificates and then an attractive wooden plaque which acknowledges they've achieved the environmental accolade of a gold award. I hope Tilery Primary School will now consider going for our next accolade, the prestigious platinum award."

The Woodland Trust's vision is to see a UK rich in native woods and trees for people and wildlife. The charity is dedicated to creating new woodland with help from communities and schools, and protecting and restoring ancient woodland for future generations to cherish.

The Green Tree Schools Award is free for schools to take part in, and the Woodland Trust is also offering free packs of trees to schools. Find out how your school can get involved at **woodlandtrust.org.uk/schools**

#### Stockton Summer Reading Challenge

Keep your young ones busy this summer by signing them up to this years Summer Reading Challenge.

Zoom on down to any Stockton Borough Library this Saturday (20 July) and sign them up for this years Space Chase themed Challenge. It is free, fun and children will receive a special Summer Reading Challenge certificate and medal. To get involved all they need to do is read 6 library books of their choice over the summer holidays.

The challenge is open to all children and is suitable for ages 4 to 11 years.

For more information visit the Summer Reading Challenge website.

#### **Summer Holiday Library Activities**

Are you looking for free, family activities to do this summer? Look no further than Stockton-on-Tees Borough Libraries! They have a whole host of activities available across the borough including arts and crafts, Pokemon activities, games, Lego club, baby and toddler sessions and much more!

There is also a fantastic range of autism friendly sessions available across the borough.

To take a look at the full list of activities, pick up a free booklet from your local library or view the guide online.

#### SIRF19 is coming!

Sound the SIRF klaxon, the Stockton International Riverside Festival programme is officially out and it's time to start planning your SIRF19 weekend!

The Festival launches on Thursday 1 August with an early evening programme as street artists and strolling bands bring colour and a real camival spirit to Stockton High Street. Dröles d'oiseaux et art blaxon by French Company Générik Vapeur will get the festival in full swing, as you follow a troop of 20 performers and a convoy of seven white cars which are transformed into a painted sea of colour, before being suspended to create a glant sized rainbow.

This year's programme features a host of incredible acts from a diverse range of worldclass street entertainers – including theatre, dance, circus, music, children's shows and more. There's so much going on, you won't want to miss a minute of it!

Discover everything you need to know about visiting SIRF at our website, www.sirf.co.uk where you can view or download the full SIRF19 programme and make sure you follow SIRF on social media for the latest updates. Standa Stockton international Riverside Festival 1-4 AUGUST WWW.SIRF.Co.UK
