YEAR 3 ARBEIA VISIT

On Tuesday, Year 3 went to Arbeia to get information about the Romans because we are learning about them.

When we got there we put our lunch boxes in the Learning Room and went up in the West Gate. It was high and we could see really far.

After that we looked at the Barracks and the Officer's house. Then we went up some stairs and I saw a model of the fort and some Roman weapons. Then we had our lunch.

After that we went to the gift shop then we went in a museum. We went into two groups. One group had to dig for Roman things like old bones and pots.

The other group looked at Roman things and played some Roman games.

I thought the trip was good when I was digging for bones!

SCHOOL NEWS ANNUAL CONTRIBUTION MONEY

As it is approaching the end of Autumn term, can we please ask parent/carers for the remainder of this term's £5.00 contribution money.

We are sure you will agree that just £15.00 per year provides excellent value for money.

Children have already been on visits and we have had theatre companies in school, the cost of which has far exceeded this contribution so it would be very much appreciated if parent/carers could bring this small amount into school before the end of term.

UP TO DATE CONTACT DETAILS

Can parent/carers please make sure that the office has your latest contact details i.e. current address and telephone number, both mobile and landline wherever possible. Thank you .

WARM CLOTHING

Please make sure your child is wearing warm clothing and sturdy shoes in this cold weather as we encourage outdoor play as often as the weather allows.
