HEADTEACHER'S NEWS

Dear Parent/Carer,

Please find attached a summary of the responses that were given in the recent parent/carer questionnaire. I am delighted with the positive responses given and it is brilliant that satisfaction levels with the service the school provides for our pupils is so high. We will of course be using the suggestions for further school developments to help us plan for the future. We are already putting a Big Lottery bid together which we hope if successful will provide a 40 place holiday club for the next 5 summer holidays. I will let you know as soon as I get any further news relating to this very popular club.

The new Breakfast Club is already proving very popular with over 80 pupils attending on Wednesday morning alone. The building work should be completed this week and then we will be able to provide the full range of food and activities for our pupils.

I would like to thank all parents/carers who completed the questionnaires and thank you all for your ongoing support for the school. It is very much appreciated by all the staff and governors.

Best wishes - J.P.Repton

E-SAFETY ASSEMBLY

On Wednesday, all pupils had an assembly about how to keep themselves safe when using a computer. They listened carefully and learned some very important rules:

- *Only talk to and send messages to other children and adults you trust (not adults who work at school).
- *Never give out personal information to people online (your address, age, school and where you are going etc).
- *Talk to an adult you trust if you are worried about anything.
- *When sending messages to your friends, be careful and only send kind things.
- *Ask an adult to check their privacy settings on any social networking sites they use (e.g. Facebook, Twitter).

If you would like to find out more you can visit this website - www.thinkuknow.co.uk

There will be a parents' meeting later this term for you to find out how to keep your child safe.

Mrs Robinson - FS Team Leader/ICT Co-ordinator

Please inform school if your child/ren are absent. Our registers are monitored regularly and all unexplained absences will be unauthorised if a reasonable explanation is not given. We value our children's education and missing lessons can be detrimental
