## HEADTEACHER'S NEWS

Dear Parent/Carer,

I am hoping that by the time you read this email our pupils from FS2 upwards will have ran in this year's Cross country championships. This event was postponed due to poor weather on Thursday 1<sup>st</sup> May but hopefully the sun will be shining for us today! A list of the top three runners in each year group will be available on the schools web site asap. The address is [www.sbcschools.org.uk/tilery](http://www.sbcschools.org.uk/tilery)

Congratulations to our girls football team who came third in this week's cluster tournament at Northfield School in Billingham. They did this in spite of having no Y6s in the team as they were busy getting ready for their SATs tests. Well done the young ones !

The school Y5/6 football team will be playing their first league game of the season at home next Tuesday at 3.34pm. I am sure the team would appreciate your support as they take on St Joseph's school from Norton.

Excellent news in that we have now reached 100% attendance for last terms parental consultation. I hope we can achieve this again when the time comes for report collection and a final discussion with your child's teacher at the end of this term.

Letters will be going out today to see which Y5/6 children would like to visit London on the 19<sup>th</sup> May to take part in a Wembley Stadium tour and a flight on the London Eye. 24 lucky children will be able to go on the visit. We are hoping to make this a standard visit every 2 years.

Enjoy your long weekend.

Many thanks for all your support for the school

**J.P.Repton**

## LAY A LITTLE EGG FOR ME!

In Year 3/4 we have got chickens and they have grown really quickly!

They are all sisters and they were born at our school in Miss Shildrick's class. The chickens are really nice and we all like them and take good care of them.

We are going to keep them in our class so that they can give us fresh eggs for our Breakfast Club!

## NEW OUTDOOR EQUIPMENT

On Monday, our school got some new playground equipment for KS2 pupils. We can use the outdoor equipment at playtime and lunchtime. All the classes have a big box with the equipment in and the box has our teacher's name on it. We got a space hopper and ours is purple. We also got footballs and lots of other amazing games to play with. We can only use the big footballs on the field and also the space hoppers on the field or they might pop because of stones on the playground.

We have all loved using the equipment. It has been amazing!

## TPS v WHITEHOUSE

It was a great start by Tilery with an early goal by Aimee. She scored another spectacular goal only minutes later.

Whitehouse were still trying to make it their game but Aimee scored again making it her hat-trick. Minutes later Nikita came swarming in with her amazing shot making it 4-0. Seconds before the end, Mckenzie took a bottom left corner shot making TPS the winners.
