HEADTEACHER'S NEWS

Dear Parent/Carer, Pupils and Friends of our school,

Today is the day when we will be finding out who our new Year 5 school councillors are. Three children will be elected after the votes have been counted after our polling day on Tuesday. All pupils, staff and governors had the opportunity to vote for the child who they thought would make the best councillor. The three lucky children will have a two year term of office, regular council meetings and a visit to the Houses of Parliament in London.

We are finding that a number of pupils are still not bringing their PE kit into school. This of course means that these children cannot take part in PE lessons. As we all know, children do need to be physically active to ensure good development and a sense of well-being and it has now been proven that exercise also assists the development of thinking skills. So could I ask that parents and carers do their very best to make sure their child has a **PE kit in school each day**.

We are very proud as a school of the way our children do well in sports and we want every child to have the enjoyment of fully participating in our PE programme.

J.P. Repton

NAME LABELS

Can we kindly request that parent/carers put their child's name on each item of their uniform. Although we will do our best to make sure children are wearing the correct item after P.E. and swimming, it is very difficult if clothes are not labelled with the child's name. Thank you.
