HEADTEACHER'S NEWS

Dear Parent, Carer, Pupil, Friend of our School,

Many thanks to all the families who have sent food items in for our Harvest hampers. I am sure they will make a lovely display in the hall during Friday assembly this morning. They will later be delivered to The Trussel Trust Charity, who will distribute them to some of the neediest people in the area.

We have not yet reached 100 % in our Parent/ carer consultations, so if you have still not managed to see your child's teacher, please contact the school to arrange an appointment asap.

Congratulations to our school rugby team who came third in the Stockton finals this week and our school football team who won their first game 5-1 and the girls' team who drew their first game away at Caldicotes Primary School in Middlesbrough 0-0. Please keep in mind that next Wednesday is photograph day and next Friday is Friday's Fabulous Food and the day we break up for the half term break.

Many thanks for your continued support for our school,

Have a good weekend,
Best wishes,
J.P.Repton

Y5 ART DAY

On Wednesday 16th, an artist called Vicky Holbrough came in to our class to work with Year 5.

She taught us how to create a sculpture in the style of international artist Gayle Chong Kwan. The style is called Arripare.

We spent all day working on our artwork and everyone really enjoyed themselves!

SWIMMING

Swimming ends this week and will resume again w/b 10th November.

If your child goes swimming can you please make sure they have a full swimming kit including a swimming hat.

Thank You.

Miss Latham	94.8%	8th
Mrs Roberts	93.6%	9th
Miss Prince	90.3%	10th
Miss Shildrick	88.9%	11th

ARTY-FACT THEATRE VISIT

On Monday 13th October, a theatre company called Arty-Facts Theatre Company came to our school.

The play was set during WWI and there were two characters in it called Vera and Harry. Harry went off to fight in the war and Vera became a nurse.

They also asked for volunteers from the audience. Stephen from Year 6 got up and he got dressed up as a wounded soldier. In the play, the character called Harry went to the hospital with a wounded head. It was the hospital where Vera worked!

At the end he survived the whole war and went home. Everyone really enjoyed the play.
