## IMPORTANT SAFEGUARDING INFORMATION

It has come to our attention that a number of parent/carers are coming into school before the end of the school day to wait for their child in the corridor.

Whilst we welcome parents into school, we also need to safeguard all of our pupils including your child/children. **Therefore, in line with governmental regulations, we must kindly request that all parent/carers please wait outside until all of the pupils have left the building.**

Pupils have been told to not let any adults into the building, **even staff**, as part of this safeguarding issue.

Should you wish to see a member of staff or look for lost property, could we please ask that you wait until after the end of the school day when pupils have left the building. We ask this to ensure the safety of all of our pupils.

Thank you for your support with this very important matter.

## MAY DAY REMINDER

**School will be closed for May Day Bank Holiday on Monday 8<sup>th</sup> May.**

**We will reopen on Tuesday 9<sup>th</sup> May.**

## CONTACT INFORMATION

Could parent/carers please ensure that our school office has up to date contact details for your child.

There have been a few occasions lately when children have been feeling poorly and we have been unable to contact anybody as the numbers we have on our system are out of date.

You can ring the school office to let them know your new number/address or simply send a note in to your child's teacher and they will pass it onto the school office. Thank you.

## FS2 VISIT

FS2 visited Seaton Carew beach on Thursday 26<sup>th</sup> April. It was pouring with rain when we got there but it didn't stop us having a fabulous time! Thanks to the waterproof clothing we were all warm and dry apart from a couple of soggy socks! We enjoyed writing our names and other words in the sand. The best part was spotting the pirates out at sea and digging holes to find the buried treasure. We brought back some treasure and a little sand! We would like to thank the Lunch Time Supervisors who came with us; without them we wouldn't have been able to go.  
**THANK YOU!**

## YEAR 5 CYCLE TRAINING

On Tuesday 1<sup>st</sup> May, Year 5 did some cycle training.

James, the instructor, showed us how a helmet helped to save a girl's life. He told us what could happen if we had no helmet on.

We did a bike check and then we were off!

James showed us how to indicate and to be ready to pedal. We had a great time!

## EQUIPMENT REMINDER

**We are still experiencing quite a lot of children who are not bringing their P.E. kit into school.**

A full P.E. kit (plimsolls, trainers, t-shirt and shorts) should be brought in every Monday and taken home every Friday to be washed ready to bring back again on Monday.

With the summer coming up, it would be a shame for your child to miss out on fun outdoor activities due to a lack of proper footwear. Due to hygiene issues, we are not able to loan P.E. kits out to pupils, especially plimsolls or trainers.

**Please ensure your child's full P.E. kit is in school every day.**
