HEADTEACHER'S NEWS

Dear parent, carer, pupil, friend of our school,

I was delighted to hear that the children who visited Lightwater Valley Theme Park last Friday had a brilliant time. This was a fitting reward for them attending school every day of the last school year. We will offering the same reward this year as well as termly prizes for full attendance. These will be very desirable items of matching Tilery stationery. We hope you will do your very best to support your child to attend school every day or even half day whenever possible. If there are any issues about attendance that you feel that school could help with, you are always welcome to contact your child's class teacher, our two Pupil and Family Support Workers, Christine Pratt and Gill Mellor, or the school office and we will do our best to help.

Our new lunch arrangements seem to be going well with the vast majority of children enjoying being able to choose and eat their choice from the menu and Sue our cook being able to prepare the food to order which has drastically reduced the amount of food waste.

We would welcome any feedback about the new system to help us ensure that our pupils eat a well-balanced and healthy meal each day.

Best wishes
J.P.Repton

TEAM BUILDING VISITS

On Tuesday 8th September, Year 3 and the Den crew went to Big Sheep, Little Cow farm as part of their team-building work.

We had lots of fun working together to brush the animals, feed the lambs and find missing eggs. We saw all sorts of animals including goats, cows, chickens, rabbits, mice and sheep. The goats were very cheeky - they kept trying to eat our coats! We had a great day together.

More classes will have visits for their team building activities in the next few weeks. Year 4/5 and Year 5 will be going to Tees Barrage next Thursday.
