## HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

It has been a very emotional week at our school. Almost immediately after helping Mrs Herdman celebrate her long service award, we heard the very sad news that Roz Prichard had died. Although the school community knew that Roz had been poorly for some time, this still came as a massive shock to everyone.

Roz has been for many years a very special and unique member of the Tilery School community as a teacher, governor and volunteer. He has made a massive contribution to the education of generations of school children and he will be sadly missed.

To capture some of the recollections of Roz and his time at Tilery School we are inviting all pupils of the school to add to one or more of the attached bow tie templates, a story, a memory, a message, a prayer, a picture, a poem etc. and return them to school. We will then cut them out at school and add them to a special book called REMEMBERING ROZ. Once we have added photos to the book we will present this to Roz's family and keep a copy in school.

We will be having a special table outside the school office for the next two weeks where parents, visitors, members of the community can also add their messages, recollections and prayers etc. to a bow tie template. These will also be added to the Remembering Roz book.

Roz's funeral will take place at the crematorium in Middlesbrough at 10a.m. on Friday 13<sup>th</sup> May. A collection will be taken at the chapel for two charities, the Butterwick Hospice for Children and Bowel Cancer UK. Parents who wish to contribute to these charities as a mark of respect for Roz can send money in to school and we will ensure this is added to the collection.

Although school will be open as normal on the day of the funeral many staff members will be attending the service. Therefore on this day your child may be taught by a different member of staff and routines may be a little different including the meal choice at lunchtime.

We thank you for your understanding on this matter.

I am sure you would join with me in sending our sincere condolences to Roz's family during this difficult time.

Best wishes,

J.P. Repton

Roz Prichard

Beloved teacher, volunteer  
and friend.
