## HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

Good to see so many people enjoying our Arts Evening last night. It was a very special event with so many memorable performances and superb displays around the hall. Well done to everyone who contributed to making the event such a success.

The National Union of Teachers is taking industrial action next Tuesday to draw attention to cuts in school funding and teacher workload concerns. It is likely that there will be minimal disruption to the normal operation of our school on this day but I will confirm this as soon as possible next week.

A list of dates is included on this newsletter with lots of important information for the next few weeks. Please contact school if there are any queries regarding these events.

Have a good weekend.

## GYM BAGS FOR CHILDREN OF SYRIA

Sharon and Alan visited assembly this morning, the children have learned about the plight of children in war torn Syria.

We are collecting new items to put in gym bags to be sent as gifts to 50 of these children.

We would welcome donations of:-

- Colouring books / colouring pencils
- Toothbrush / toothpaste
- Bouncy balls
- Small toys (no toy guns or knives please)
- Baseball caps
- Comb / hairbrush
- Note pads

It may also be nice for the children to write a short letter saying who they are and which school they are from. All donations to be in by **Friday 8<sup>th</sup> July** please.

**Don't forget! £1.00 Book Sale every Friday in school. Lots of new books available to buy!**

## SAMBA DRUMMING

The Year 2 children enjoyed a spot of Samba drumming last week with Connor from One Creative.

As you can see they all had a fantastic time joining in and playing the instruments!

## WILD ABOUT NATURE

On Wednesday, three of us lucky children from Year 6 went to North Shore for their transition afternoon.

We saw some wild animals and learnt about their habitats and we also held them! We saw a prairie dog, some cockroaches, a snake, an owl, some stick insects, a frog and a tortoise!

Rafal was the bravest of all of us and held all of the animals! Some of us held the snake, the stick insects and the frog though. The frog was really cute!

After that we got a tour of the building which was really interesting. After that we did some work before getting ready to leave. It was fun.
