HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

It has been a beautiful warm and sunny week and our pupils have been taking part in many great activities to take full advantage of the opportunity to be learning outside. On Tuesday our Den children had a great forest school morning building shelters in our very own wooded area alongside Craister Road and on Tuesday our FS2 children had a great time feeding the animals at Tweddle Farm in Hartlepool. It has also been brilliant to see our outside areas for Y1/2 pupils being fully used and the garden area planted up with vegetables and flowers.

The six children who visited Oxford University had a really interesting time last Friday. I really hope it inspires the children to think about going to University when they are older. It was also a great day for Dylan Donaldson who had Happy Birthday sung to him accompanied by a grand piano in the college chapel. A very special moment!

Sports wise it has been a very good week. Our Y3/4 football team won their fixture against Wynyard Primary School on Tuesday 7-1 with an excellent display. Player of the day was Jensen Urwin with a very good goalkeeping performance, making sure the team got off to a good start.

On Wednesday we had several pupils competing in the Stockton Athletics finals at the Middlesbrough Sports Village. Well done to all our athletes; with a very special mention for Connor Thompson who won the howler throwing event and came third in the 60m sprint, Felix Chikuza who came first in the 80m sprint and Toby Cook who came a very, very close fourth in the long jump.

I hope you all enjoy the half term break.

Best wishes

J.P.Repton

SCHOOL COUNCILLORS

On Thursday, Y5 & Y6 had a special visit from two police officers to talk about children throwing stones at cars! If you see anything like this happening, tell a responsible adult!

SPORTING ACTIVITIES

We have had a really busy week with lots of sporting activities going on. On Monday, we had our Dodgeball Competition in the main hall with fifteen teams from KS2 taking part.
On Wednesday, five KS2 children went to the Middlesbrough sports Village to take part in the final heats for Stockton. We had two winners with Connor coming third in the 60m sprint and first in the Howler event and Felix coming first in the 80m sprint. Both pupils will now go through to the Tees Valley Finals. We wish them both well!

GOVERNORS NEWS

We are delighted to welcome three new governors to the School Governing Body: Kimberley Spears and Julie Livingstone have been appointed as parent governors and Lucy Carlton-Walker (Children & Young Person's Librarian at Stockton Central Library) has become an associate governor. We hope that they enjoy the challenge of working with us to support the school team, as they seek to provide quality learning experiences and ensure that all pupils achieve their full potential.

At the Full Governing Body meeting on Thursday 18th May, the head teacher's report listed the many sporting achievements of our pupils. We would like to congratulate all children who take part either individually or in teams, and thank them, not only for their skill and commitment, but more especially for their sportsmanship towards other players. Very well done.

Liz Miller (Chair of Governors)
