

HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

It was brilliant to see the enthusiasm, determination and teamwork of all the children who competed in last Friday's annual Academy Shield football tournament. The captain of the winning team Laylan Donachie, will now get his name etched on the shield. I suspect this may not be the last time that Laylan gets his name on a Tilery football trophy.

Thank you to all the parents who came along to this week's Reading meetings. I hope you all found the meetings interesting and useful in helping your child become the best reader they can be.

Our Y3/4 football team had their first game of the season on Thursday of this week. Despite leading for most of the game they, a little unluckily, conceded 3 late goals to lose the game against Caldicotes 4-2. Player of the day was Marley Walsh with a great display of effort and concentration.

Enjoy the half term holiday and we see you all back at school on Monday 5th November.

PLASTIC BOTTLE APPEAL

We are planning a very special commemorative project to mark the 100th Anniversary of the Armistice this year. We need as many plastic bottles as we can gather!

If you can help, please bring your clean, empty plastic bottles to the school office. Any size bottle is fine but we cannot use milk cartons as they are the wrong shape!

A big thank you to everyone who has donated so far Please keep them coming!! 😊

TILERY HOUSE POINTS SYSTEM

Our new house system, which began in September, rewards children for the qualities and behaviour we value such as good manners, working hard and helping each other. The houses are named after inspirational people who have a connection with our region: Butterwick, Cook, Grey-Thompson and Stephenson. It has started well, with children collecting house points to earn themselves certificates and prizes as well as going towards the score for their house. The points for each house are added up at the end of every week and, from now on, the winning house will be awarded a golden rosette in assembly, which will be displayed on their house board for the following week.

House points are also added up at the end of each half-term and the houses will get a score of four, three, two or one based on their total. The end of term scores for each house will be counted at the end of the year to find the winning house. The winning house for the year will get a trophy, which will be displayed in school for the next school year, the captain and vice-captain will get a small trophy to keep and the children in that house will get a treat.

We will let you know the scores and the winning house in our weekly newsletter. This half term the winning house is **Stephenson** with **2379** house points. Well done to the children in Stephenson, after half-term you will have a movie afternoon with an ice-lolly treat.
