Lantern Festival News

As our annual Lantern Festival is fast approaching, we would like to take this opportunity to draw your attention to some key dates for your diary. This year, the event will be held on the evening of Thursday 7th February, meeting at school at 5.30pm for a 6pm start. Should we need to, we have a reserve date of Wednesday 13th February.

We have an exciting opportunity for parents/carers who are new to Lantern making to come along and join us for one of our 1-hour workshops on Friday 25th January. Please see times below. We hope you can make this and we look forward to sharing our annual tradition with you.

- Friday 25th January 9am until 10 am and 2pm until 3pm. 1 hour workshops for parents/carers new to Lantern making.
- Saturday 26th and Sunday 27th January 10am – 3pm

Covering and finishing off workshops

- Saturday 2nd February 10am – 4pm

Please Note

During the lantern festival activities period, there will be no after school clubs, however Tilery After School club will still be running as normal. There will also be Year 6 SATS booster sessions still available for all Year 6 pupils to attend. Dates and Times to follow.

HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

I hope you have all had a lovely Christmas holiday and a good start to the New Year.

It is the time of year when our minds begin to focus on our Community Lantern Festival. This year's workshops begin on the 25th January and will be daily (other than Sunday 3rd February), until the Parade, which will be at 6pm on Thursday 7th February. We are hoping that this will be a very special parade to mark our 10th anniversary. There is further information about the workshops etc in this newsletter but please contact school if you have any queries. I hope our pupils enjoy making their own lanterns and that parents/carers and former pupils enjoy making their very own family Lantern.

We will be having an E- safety assembly for pupils and parents at 1pm on Friday 25th January. More details will be sent out next week.

As we look forwards to another good year at our school, I would like to wish you the best for 2019.
