HEADTEACHER'S NEWS

Dear Parents/Carers

I hope you have all managed to see some of the photos of our recent Lant10 Parade. There are so many wonderful images of children, families with their Lanterns and Little Lights. They really do show what a very special event it was for so many people.

Congratulations to our two Y3/4 football teams that took part in last Fridays Stockton football league. This was a very valuable experience for all the players involved, even though it was on a cold and blustery day. Players of the day were Hassan Diallo and Ahmad Diallo for their strong performances.

I hope you also managed to see some of our Y5 children on Tyne Tees TV news on Tuesday. They did a brilliant job in supporting Stockton Borough Council in promoting the future city games.

I hope all our pupils and their families/carers enjoy the half term holiday and that all the children attending our Holiday Club next Monday and Tuesday have a great time.

With very best wishes

J.P.Repton

THE GREAT NORTH CITY GAMES

The Great North City Games will be returning to the North East again this year on Saturday 7th September 2019, with events such as **Simply Health Great Tees 10k, Junior and Mini**. Tilery Primary School were invited to go along to the PR and Marketing event held in Stockton Town Centre on Tuesday where they met sports personalities such as Chris Tomlinson and Richard Kilty as well as Brendan Foster who is not only a North-East born long-distance athlete, he also founded the Great North Run and the Great Run Company. The children also met the Tees Valley Mayor and Cllr Bob Cook.

Despite the cold weather, the children had a fantastic time. We received positive feedback from the organizer of the event saying how well they did, and what a credit to the school they are.

They even had an appearance on the local teatime news!

GOVERNORS NEWS

Balancing the Budget!

At the Resources Committee Meeting 12.2.2019, Governors discussed at length, the schools Financial Summary Report, and received updates on Staffing, Premises and Health and Safety. We are delighted that, despite government cuts to funding, thanks to prudent financial management, this school is still able to offer its students a wide range of extra activities including sports tuition, residential visits, Breakfast, After School and Holiday Clubs, as well as our very own Football Academy.
