HEADTEACHER'S NEWS

Dear parents/carers,

Congratulations to Laylan Donachie and his team for winning this year's F.A Cup Final. Laylans outstanding footballing ability and drive was a major factor in the victory. Player of the day was Jensen Urwin who captained his side with great maturity as well as producing a goal keeping performance of great skill and bravery.

Our Netball team has been very busy this week with games against William Cassidi Primary School in Stillington and at home against St Johns School from Ragworth. Players of the day were Meriam Adballah and Phoebe Allcock against William Cassidi and Elle Cun in the game versus St Johns.

Our very enjoyable Y1/Y2 and Y3/Y4 House Football competitions were both won by Stephenson, although, the Y3/Y4 result came down to a goal difference of one!!

The Riley Young Hudson Trophy was played for during the Y5/Y6 House Dodgeball competition on Friday afternoon. The trophy will be presented to the winning house before the Cross Country medal ceremony on Monday 8th July. I hope all parents and carers will do their very best to attend their children's report collection appointment with their class teachers. This is a great opportunity to celebrate the success of the school year.

With very best wishes

J.P Repton.

ATTENDANCE – 24.06.2019 – 28.06.2019

	%	Position
Mr Cliff	99.1	1st
Mrs Pickering	98.7	2nd

- Thursday Recorders
- Friday Football

magic breakfast
fuel for learning

BREAKFAST AT SCHOOL

Magic Breakfast is a registered charity that delivers free, healthy breakfast food and supports schools across the UK to set up or grow a successful breakfast provision. Our aim is that no child starts the day too hungry to learn.

"The impact of breakfast on the quality of teaching time has been remarkable." *Head Teacher.*

"Since the children have been having bagels in the morning, they are a lot more alert. All the children have achieved the levels we were hoping for and we feel it is due to them all having something to eat in the morning." *Teacher at Magic Breakfast partner school.*

Magic Breakfast is available at school.

Ask at Reception for details.

"We love Magic Breakfast - we love bagels and cereal, but most of all we love sitting down with our friends and choosing something we like for breakfast." *Pupil.*

Magic Breakfast provides porridge, cereals, special recipe Bagel Nash bagels and unsweetened juice. A "magic" breakfast is low in sugar, salt and fat and is designed to give children energy, protein, vitamins and minerals.

"Breakfast club sets the kids up for the day and ensures they are on time for school as well as giving parents breathing room. The children enjoy it, there is a variety of options for all, and the staff are lovely! Brilliant option for those who want to take it." *Parent.*

We support over 480 fantastic schools – primary, secondary, special schools and pupil referral units - working with them to develop a breakfast provision that meets their exact needs. Partner schools tell us that they have experienced a whole range of benefits including:

- Children who are settled and ready to learn
- Improved concentration and behaviour
- Improved attendance and punctuality
- Improved attainment
- Less classroom disruption

Growing Healthy
Stockton-on-Tees
You can... we'll help

NHS
Harrogate and District
NHS Foundation Trust

Are you concerned about your child's weight? Would you like ideas and inspiration to help your family make healthier choices?

The Growing Well Growing Healthy team in Stockton borough can help you!

Please be advised your child will be coming home with the flyer below containing information regarding changes to your child's PSHE

As of September there will be some exciting new changes to your child's Personal, Social and Health Education (PSHE) and parents and carers can get involved to!

GREAT DREAM
Ten keys to happier living

GIVING	DIRECTION
RELATING	RESILIENCE
EXERCISING	EMOTIONS
AWARENESS	ACCEPTANCE
TRYING OUT	MEANING

PSHE teaching and learning will now focus around 10 key themes.

Research has found that these 10 key themes consistently tend to make life happier and more fulfilling. Together they spell 'GREAT DREAM'.

In line with new statutory content, **lessons on relationships and health** will be taught throughout the school as part of the 'GREAT DREAM'.

By the end of primary school, pupils will have been taught content on:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe
- Mental wellbeing
- Internet safety and harms
- Physical health and fitness
- Healthy eating
- Facts and risks associated with drugs, alcohol and tobacco
- Health and prevention
- Basic first aid
- Changing adolescent body

What PSHE looks like at Tilery Primary School?

We want pupils to develop the knowledge, skills and attributes they need to keep themselves healthy and safe, and prepare for life and work in modern Britain. This is delivered in a number of age appropriate, sensitive but engaging ways.

- PSHE Lessons
- Themed Assemblies
- Visitors to School
- Class Stories
- Cross Curricular lessons
- Themed Weeks (such as E Safety Week)
- School Trips

Find out more and get involved!

A document on Understanding Relationships and Health Education in your child's primary school: a guide for parents is available on the school's website.

Download the **Action for Happiness** app or follow on Facebook.
