HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

I hope you have all enjoyed the summer break and the opportunities to be out and about with your family in the warm weather. At school during the break, we had another successful 4 week Holiday Club, enjoyed by all the children attending and building work which has begun on the new Family Hub. This extension to our Early Explorers building is due to be complete in January 2020. Once opened it will provide an excellent venue for a range of community based services supporting parents and children from pre-natal and above. This is a very exciting venture but it will mean there will be some disruption to normal entrances and movement around our school site during the construction period.

We do welcome a new teacher to our school this term. We wish Miss Thomson well as she begins her teaching career in our Y4 class. I am sure she will do a great job. Unfortunately, Mrs Johnson begins the school year on sick leave, as she undertakes medical treatment over the next few weeks. We wish her well for a speedy recovery. Mrs Fender will be covering Mrs Johnson's Special Educational Needs responsibilities across the school during this period of absence.

Congratulations to Lexi Wetherell who now takes up her position of Chair of our School Council, ably supported by her fellow Y6 councillors, Logan Crosby and Izzie Gossage. We will be electing the new Y5 councillors on the 8th October.

With very best wishes for the school year ahead,

J.P.Repton

MEANING

Research has found that these 10 key themes consistently tend to make life happier and more fulfilling. Together they spell 'GREAT DREAM'.

By the end of primary school, pupils will have been taught content on:

- Families and people who care for me
- Caring friendships
- Respectful relationships
- Online relationships
- Being safe
- Mental wellbeing
- Internet safety and harms
- Physical health and fitness
- Healthy eating
- Facts and risks associated with drugs, alcohol and tobacco
- Health and prevention
- Basic first aid
- Changing adolescent body

In line with new statutory content, lessons on relationships and health will be taught throughout the school as part of the 'GREAT DREAM'.

What PSHE looks like at Tilery Primary School?

We want pupils to develop the knowledge, skills and attributes they need to keep themselves healthy and safe, and prepare for life and work in modern Britain. This is delivered in a number of age appropriate, sensitive but engaging ways.

- PSHE Lessons
- Themed Assemblies
- Visitors to School
- Class Stories
- Cross Curricular lessons
- Themed Weeks (such as E Safety Week)
- School Trips
