

Mrs Fearn's and Mrs Jones' class - Home Learning - Week beginning - 13th April 2020

Happy Easter everyone! We hope that you are all well and hopefully full of chocolate!

This is Mrs Jones' dog. He is called Max and he would like to say a big hello to all of you. He sends a special woof to Liam who drew a fantastic picture of him. He is enjoying having Mrs Jones for more of the time!

Mrs Fearn is catching up on her reading at the moment. It's not as much fun without her class to share it with so she will be reading it on the school YouTube channel. She would love to share with you this **fantastic** book by Roald Dahl.

We hope that you are all well and keeping busy at home. How will you **be kind** this week? It could be sending a card to a grandparent or tidying your room. How can you help your family?

Mrs Jones and Mrs Fearn have both made videos for you which can be found on the school Facebook page.

	First...	Then...	Challenge!
Reading	Read aloud to an adult or an older brother or sister - every day if you can!	Listen to Mrs Fearn read our new class book <i>Fantastic Mr Fox</i> on the Tillery YouTube channel.	Check out the free e-books on this website: https://home.oxfordowl.co.uk/books/free-ebooks/
Spelling	Practice writing this week's spellings: - pass, glass, grass, class, - bake, cake, lake, snake	Write your own sentence for each of your spellings.	Visit the new phonics play website and check out their awesome spelling games. https://new.phonicsplay.co.uk/
Writing	Draw a picture of the three farmers in <i>Fantastic Mr Fox</i> . You can hear Mrs Fearn read the first chapters on the Tillery YouTube channel. Listen carefully to the descriptions in Chapter One to help you.	Write your own descriptions of the three farmers. Don't forget to make your sentences 5 star: ★ Capital letter ★ Full stop (or! ?) ★ Finger spaces ★ Letters the right size ★ Makes sense	Write a question for each farmer. 
Maths	This week we will be looking at measuring . Start by looking at your assigned activities on: https://go.educationcity.com/ Your logon is tp and your first name. So if you are Billie-Jo Smith, your logon is tpbillie. The password is tilery .	Have a look in your kitchen. Make a list of measures you can find on things like tins and bags of food. What are they measured in? Can you compare them from lightest to heaviest?	Ask an adult if you can cook with them. Look at how the ingredients are measured out. What would happen if you didn't measure out the ingredients?
