Weekly English Activity			Weekly Maths Activity	
<p>Go online and research the Arctic and Antarctica.</p> <p>Arctic - https://scienceforkidsclub.com/arctic.html</p> <p>Antarctica - https://www.sciencekids.co.nz/sciencefacts/earth/antarctica.html</p> <p>Write a paragraph of information about the Arctic and Antarctica. Where are they? Which is colder? What can you find out about the Arctic and Antarctic Ocean? Do they have seasons? What animals can be found in each place? Do people live there?</p> <p>Keep your work for me to read when we go back to school or send it into school parents@tileryprimary.org.uk ☺</p>			<p>This week login to Education City watch the videos and play the games! Login details are in the support box below</p> <p><u>The focus is adding amounts of money and giving change.</u></p> <ul style="list-style-type: none"> • Add the amount using column addition • Work out the change by adding on using a number line. • Think about how many pennies make a pound! <p>My computer lets me know who has played and I can't wait to see who has been working hard at home! If you can't login to Education City label items in your home with a price and work out the total of two items. What change would you need?</p>	

Weekly Topic Activity

Sources of Light

Last week we introduced a topic on light by thinking about different light sources. Login to Education City and play the games **Lights Out** and **Sunset** to recap what a light source is.

Reflection and Shadows

Watch the learn screen and play the game **Tunnel Vision**. Attached to this home learning grid is a worksheet with further questions. You don't need to print it out, just write the answers on a piece of paper.

If you are interested in this topic, discover more with a range of experiments, free games, fun facts, interesting quizzes, videos and more!

<https://www.sciencekids.co.nz/light.html>

Just For Fun!

How did the baking go? If you made any cinnamon rolls please send a picture in!

This week I've attached a word search on Antarctica. You don't need to print it off you could have a look for the words on your computer screen. The answers are included too. Don't Cheat! ☺

Story Time: Visit David Walliams website and listen to one of his stories. www.worldofdavidwalliams.com

Some support if needed.

Coordinating conjunctions: for, and, nor, but, or, yet, so

Subordinating conjunctions: if, since, as, when, although, while, after, before, until, because

TTRS passwords were on a laminated piece of paper in the learning packs you took home.

Education City login details

User name: tp, the first letter of your first name then all of your second name

Password: tilery

Example:

User name: tpcmcfee

Password: tilery

Just to say Mr Turner and I miss you all and we are very much looking forward to seeing everyone in class as soon as we possibly can. Have a go at some of the home learning activities, help around the house, enjoy family time but most importantly make sure you're safe, well and happy! If you want to send your work to me, use the email address or keep a paper copy and bring it into school when we go back!
