Maths

I have created all the children accounts for Education City and set maths work on that website. Go to Educationcity.com and the username for the children is tp followed by their first name and first initial of their surname, for example tpjoeb and the password is "tilery" both usernames and passwords do not have capital letters. Any problems get in touch. You will find the work set under "classwork". This week we are working on: **Place Value, Rounding to the nearest 10, 100 and 1000, Lines of Symmetry, Perimeter and Equivalent Fractions**

Easter Crafts I hope you all have a wonderful Easter weekend! It would be lovely to see some Easter Crafts - Can you make an Easter picture? An Easter card for a family member? Could you bake an Easter treat? Decorate an Egg - think of a character, animal or person you could make from an egg - I am going to do one and will share a picture when it is done. I would love to see a picture of all your lovely crafts.
