

Reading Comprehension- 60 second read

Our new topic is Ancient Greece! Read this to learn more about the Ancient Greeks!

Who Were the Ancient Greeks?

11 Greece was one of the most important places in the ancient
20 world – there is evidence of settlers from around 40,000BC,
28 but the influential period was around 2,500BC onwards.
36 These ancient Greeks were fantastic thinkers, writers, actors,
42 artists, athletes, warriors, architects and politicians.

51 The Greeks called themselves 'Hellenes' and their land was
62 'Hellas'. The name 'Greeks' was given to the people of Greece
72 later by the Romans. They lived in mainland Greece (which
80 was split into city-states including: Athens, Sparta, Corinth
90 and Olympia) and the Greek islands, but also in colonies
97 scattered around the Mediterranean Sea, including: Italy,
104 Sicily, Turkey, North Africa, and even France.

109 They sailed the sea to trade and
113 find new lands, spreading
116 their knowledge and
119 ideas around the world.

Quick Questions

1. What was the true name of Ancient Greece?

2. Which word tells us that the Ancient Greeks were spread out?

3. Name four things the Ancient Greeks were talented in.

4. How were the Ancient Greeks influential?

Maths Problems

1 Fill in the missing numbers.

100 less than 20,000 is

more than 20,000 is 20,600

2

25% of my number is 24

What number is Teddy thinking of?

3 Lucy shades in part of a rectangle.

She shades some more squares.

$\frac{7}{q}$ of the rectangle is now shaded.

How many more squares did Lucy shade?

Ice Cream Maths

Amazing Fact

The ice cream cone was invented at the 1904 World's Fair in St. Louis. Previously, ice cream had only been eaten with bowls and spoons but the invention of the cone enabled people to eat ice cream on the move.

Challenge

Try this ice cream maths challenge.

The ice cream stall sells chocolate, peach, mint, lemon, strawberry and vanilla flavour.

What combinations can be created for a double cone?

Be sure to work systematically and record your solutions in an order. How will you know once you have found all the possibilities? Use the space below for your working out.

You could also try to find out:

- how the first ice cream cone was made;
- how big the biggest ever ice cream cone was;
- what the most popular flavour of ice cream is;
- what some of the strangest flavours that have been made are.

Art- Designing your own Greek vase

Take a look at these Greek vases and have a go at designing your own!

Science- The Heart and Exercise

This week keep an exercise diary. Let's see who can do the most exercise!

Types of exercise you could do:

- PE with Joe
- Walking
- Running
- Dancing
- Playing in the garden

<u>Day</u>	<u>Type of exercise</u>
Monday	
Tuesday	
Wednesday	
Thursday	
Friday	
Saturday	
Sunday	

What happens to your heart rate when you exercise?

Before doing Joe Wicks PE put your hand on your chest and feel your heart. Is it beating slow or fast?

After doing Joe Wicks PE put your hand on your chest again. Is it beating faster or slower after doing exercise?
