We miss you all lots and hope you are keeping safe!

	First...	Then...	Challenge!
<b>Reading</b>	Read aloud to an adult or an older brother or sister - every day if you can!	Go to the <a href="#">Oxford Owl website</a> to read their fantastic e-books. It's free, but you will need to register if you haven't already!	Then check out the brilliant <a href="#">Dinosaur Safari</a> . There are games to play linked to what you have read.
<b>Spelling</b>	Practice writing this week's spellings: one, two, three, four, five, six, seven, eight, nine, ten.	Play these <a href="#">games</a> on the Spellzone website to help you practice spelling numbers.	Rewatch this <a href="#">funny video</a> to help you remember how to spell numbers up to ten. Salamander!
<b>Writing</b>	Check out Tom Fletcher (from McFly) reading his fantastic story <a href="#">The Dinosaur who Pooped a Princess</a> . He will even sing you a song at the end!	 Retell the story in your own words. Don't forget capital letters and full stops!	This book is part of a series, some of which we have read in school. What do you think the dinosaur might poop next? Write your own story about the dinosaur.
<b>Maths</b>	This week we will be looking at <b>money</b> . Go to your assigned classwork activities on: <a href="https://go.educationcity.com/">https://go.educationcity.com/</a> Your logon is tp and your first name. So if you are Billie-Jo Smith, your logon is tpbillie. The password is tilery	You can visit a <a href="#">virtual toy shop</a> to find out different ways of paying for things and how to check your change. What would you buy?	I want to buy a dinosaur toy that costs 25p. How many different ways could I pay for it? Could I pay using a 25p coin? Why not?
