

Mrs Fearn's and Mrs Jones' class - Home Learning - Week beginning 1st June 2020

Hi everyone. Mrs Fearn had a video chat with Nellie and Gizmo last week. Remember when they visited us at school? They remember you!

| | First... | Then... | Challenge! |
|-----------------|---|--|---|
| Reading | Read aloud to an adult or an older brother or sister - every day if you can! | On the Oxford Owl website read " Perfect Pets " It's free, but you will need to register if you haven't already! | Watch Jeremy Strong read his novel " The Hundred Mile an Hour Dog " on youtube. It's a fantastic story |
| Spelling | This week we will be looking at compound words. These are two words joined together to make a new word e.g. sun + flower = sunflower. Watch this BBC video to find out more! | Roly the cat needs help – match two words to make a compound word to feed him on this website . | Play compound word splat! How many can you find? |
| Writing | Design your perfect pet. It can be any animal you like, real or imaginary! You might like to invent your own animal! You can combine different animals at https://switchzoo.com/map.html | How write a description of your pet. What does it look like? How does it move around? Why is it your perfect pet? | Write instructions for looking after your perfect pet. What would it eat? Does it need exercise? Where would it sleep? |
| Maths | This week we will be looking at adding and subtracting . Practice adding and subtracting quickly using Daily 10 . How quickly can you get 10 out of 10? | Now visit Education City to complete this week's tasks. Your logon is tp and your first name. So if you are Billie-Jo Smith, your logon is tpbillie. The password is tilery | Choose a number and see how many different ways you can make it using addition and subtraction. For example, to make the number 12 you could begin with: 11 + 1 = 12 20 - 8 = 12 6 + 6 = 12 13 - 1 = 12 |

Please remember to send any feedback or photos of work to parents@tileryprimary.org.uk
