

Weekly Activities

<p>Hi everyone!</p> <p>I hope you have had another good week - it feels so long ago that we last seen each other. I would love it if you could send a photograph in to the parent's email account to see what you have all been up to.</p> <p>By now you should all have received the new workbooks that have been sent out. I hope you all love the books that Mrs Loughran and I chose for you. As the note in the pack says, work your way through the books. The Maths and English books contain explanations and examples of each activity - most we have already covered in school. Thank you, Charlie for an amazing video - it was great to see you so happy and creative!</p> <p>As always check the school's Facebook page for ways to keep active. Check BBC Bitesize and iplayer.</p> <p>Stay safe.
