

<p>Hi everyone! Remember that these weekly activities are to be done in addition to your work packs - pick what you would like to do, you do not have to do it all.</p> <p>I hope you have all had another good week despite the weather! Some of the rules have changed since Saturday and hopefully now some of you may have had the chance to see some more family members.</p> <p>I am having a few issues with Education City at the moment so I will add more to classwork as soon as possible so keep your eyes out for that, in the mean time continue with the maths workbooks - a page of each a day and you can still go onto any of the maths games on Education City. As always check the school's Facebook page for ways to keep active. Check BBC Bitesize and iplayer.</p> <p>Please send in any photos of completed work and let me know what you have been up to.</p> <p>Stay safe. Miss Thomson & Mrs Loughran</p>	<p>Maths</p> <p>You can now work through the workbooks provided for your maths work.</p> <p>In addition to this I will continue to add weekly work onto Education City - Find under classwork and homework.</p>	<p>Writing</p> <p>There's An Alien Under The Bed!</p> <p>Write a story about an Alien hiding under your bed. Don't forget to talk about: What does the alien look like? Is it tall or short? Friendly or Angry? What does the Alien sound like? Smell like? Feel like? How does it walk and move? Where has it come from and why is it in your house!?</p>
	<p>Art</p> <p>Draw a picture of your alien (check writing task for more information) Do this before your write, it will be useful for describing the character.</p>	<p>Reading</p> <p>You all have your new reading books now; I hope you are excited to read them. Read for at least 15 minutes every day. Read to an adult if you can.</p> <p>You can still access Read Theory and Oxford Reading Owls.</p>
