

**Mrs Fearn's and Mrs Jones' class - Home Learning - Week beginning 22<sup>nd</sup> June**

**We miss you all lots and hope you are keeping safe! If you fancy getting crafty this week, why not try making your own jiggling jellyfish? Instructions can be found on the [National Geographic Kids website](#), along with lots of interesting facts.**

	First...	Then...	Challenge!
<b>Reading</b>	Read aloud to an adult or an older brother or sister - every day if you can!	On the Oxford Owl website, read " <a href="#">At the seaside</a> ". There are some questions to answer on page 17.	Read about deep sea explorers on the next page.
<b>Spelling</b>	Practice writing this week's spellings: cane, cake, cape, face, male, game, tape, safe, case, rake, sale, lake.	On Education City, complete the long a sound activities. <a href="https://go.educationcity.com/">https://go.educationcity.com/</a> Your logon is tp and your first name. The password is tilery	On <a href="#">Phonics Play</a> , investigate different ways of spelling the long a sound. Username: march20 Password: home
<b>Writing</b>	Check out <a href="#">Deep Down Weird</a> . What do you think is the weirdest creature? Don't forget to click on the links to videos.	What do you think is the strangest creature in this book? Write your top facts about this animal.	Write a story about a day in the life of a deep sea explorer! What would you see? How would you feel?
<b>Maths</b>	This week we will be revising <b>place value</b> . Go to your assigned classwork activities on: <a href="https://go.educationcity.com/">https://go.educationcity.com/</a> Your logon is tp and your first name. The password is tilery	Play <a href="#">place value basketball</a> . How many points can you score?	Now try ordering numbers using this cute <a href="#">caterpillar game</a> .

Is there something you would like us to learn about? Please do get in touch if we can help with anything.  
We would love to hear from you!

Just e-mail [parents@tileryprimary.org.uk](mailto:parents@tileryprimary.org.uk) or give the school a ring on 01642 673761.

Mrs Fearn is in school on Monday, Tuesday and Wednesday mornings if you would like to speak to her.

# Deep Sea Explorers

Read on to find out about three explorers and their missions to discover below the waves.

## Jacques Cousteau

Jacques Cousteau was a photographer who looked at habitats in the ocean.

In 1948 Jacques was part of a mission to find a Roman shipwreck. This was the beginning of exploring sunken ships.

## Sylvia Earle

Sylvia Earle is an American underwater photographer. She was born 30<sup>th</sup> August 1935.

Sylvia hopes to protect 30% of the world's oceans by the year 2030 by creating areas called 'hope spots' where ocean life is protected.

## Robert Ballard

Robert Ballard is an American ocean photographer and explorer. He was born 30<sup>th</sup> June 1942.

In 1985, Robert was part of a huge mission to find the RMS Titanic shipwreck, a ship that had been missing for 28 years.
