Weekly English Activity			Weekly Maths Activity	
<p style="text-align: center;"><b><u>Conjunctions</u></b></p> <p>Using the English workbook look for and complete work on conjunctions.</p> <p>If you have access to <b>Education City</b> login, watch the learn screen and play <b>Conjunction Junction</b>.</p> <p>Can you put some of your spelling words into sentences with a conjunction? Examples are on the laminated conjunction word mat in your work packs.</p>			<p style="text-align: center;"><b><u>Multiplication</u></b></p> <p>Using the Maths workbook look for and complete work on multiplication.</p> <p>If you have access to <b>Education City</b> login and play a multiplication game. <b>TTRS</b> will also allow you to practise your multiplication skills.</p> <p>Can you write a selection of column multiplication calculations to challenge yourself?</p>	
Weekly Topic Activity			Just For Fun!	
<p style="text-align: center;"><b><u>Light and Forces</u></b></p> <p>This week please complete Section 3 of your workbook - <b>Forces</b></p>			<p>Have a go at playing noughts and crosses! All you need is a piece of paper and a pen 😊</p>	

If you have access to **Education City** login and watch the learn screen **Forces of Attraction**. This learn screen looks at the forces push and pull, discussing the need for contact. It introduces magnetism as forces that do not need contact to work.

**Some support if needed. . . .**

**Conjunction** - connects words, phrases and clauses in a sentence.

**Education City** login details
