HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

Well done to all the nursery, reception and Y1 children who have returned to school this week. They have got used to the new set up very quickly and have enjoyed their time with their friends and teachers. The weather has been very kind to us this week enabling the children to get outside for some part of each day. Next week it will be the turn of our Y5 and Y2 pupils to have the chance to get back to school. It is great to see the school gradually getting back to normal.

Butterwick House have got off to a quick start and are in the lead in the mini house competition. Every child in the winning house will be awarded a prize in 3 weeks time. The lead is only very slender, so it is all to play for!

Next Friday a group of our older pupils would have been travelling to Liverpool to enjoy a tour of the Anfield Stadium. This would have been such brilliant timing now that the Premier League title has been secured. Sadly, though the visit has had to be cancelled due to the Covid -19 virus. We will be refunding the deposits paid into school before the end of this term.

Picking up on the new guidance from the government, we are now working on our plans for our Summer Holiday Club, Free school meal provision during the summer break and the organisation for school in September. Please look out for letters, website and Facebook posts over the next 3 weeks for further information

Stay safe

TRIAL NOMINATION 2020

Dear Parent,

Nominations for SDSFA are usually made through schools and school teachers. However this year, due to Covid-19 we are asking parents to nominate their children for our upcoming season.

Parents will then be contacted directly with further details.

Obviously, with the current climate, we do not yet know what dates the trials will be held on. We are hoping for an early September trial period for both the boys and girls representative teams.

To nominate your child please go to: www.stocktonschoolsfootball.com

All information provided will be handled in line with GDPR regulations.

For boys nominations they need to be in Year 6, 7, 8, 9, 10 or 11 from September 2020.

For girls nominations they need to be in Year 5, 6, 7, 8, 9 or 10 from September 2020.
