

Mrs Fearn's and Mrs Jones' class - Home Learning - Week beginning 13th July

This week school breaks up for the summer holidays. We hope that you are safe and well and we are looking forward to seeing most of you in September 😊

Very best of luck to Liam and Lilly who will be starting their new schools in the Autumn.

This week you should receive some books from school along with a few little things to help keep you entertained over summer. You should also receive your school reports this week by e-mail. On the next page are some different websites which will help you to practice your reading, spelling and maths over the summer.

If you have any questions about this then please get in touch.
Just e-mail parents@tileryprimary.org.uk or give the school a ring on 01642 673761.

Here are some websites that you might like to use this week and over the summer. They are all free to use and have hundreds of great activities! Have a lovely break and we hope to see you very soon xxx
