HEADTEACHER'S NEWS

Dear Parent, carer, pupil, friend of our school,

The week has gone well. It was great to see so many happy Y3 and Y4 children returning to school this week and adjusting very quickly to the classroom set ups.

The process of emailing pupils annual reports to parents/carers is now well under way and should be completed by next Monday at the latest. Paper copies of reports will be sent out to those parents /carers who do not have an email account next Monday. If you have not received your child's report by next Tuesday please contact the school.

On Monday we will be sending out information about the new school year including about how we are adjusting start and finishing times to the school day for different classes, to help ensure that all children can attend school safely.

Next Friday, the final day of the school year, will be the last time that our fantastic group of volunteers deliver packed lunches to those children who are eligible for free school dinners. I am sure you would want to join me in saying a massive thank you to them all.

Each pupil who is attending school at the moment will be bringing home an outdoor game/toy, which has been funded by a local benefactor and a puzzle /activity book, which has been paid for by a donation from a local charity called "Families Matter." Their support is greatly appreciated.

Enjoy your weekend- we may even have some sunshine!

Best wishes

J.P.Repton

PARENT INFORMATION

If you have any issues, our school admin team is back working onsite and can be reached on the main office number but can also be reached during the weekday normal office hours on 07562 283511 and our Pupil and Family Support workers can be contacted during the same hours.

Gill Mellor is on 07562 225709 and Christine Pratt on 07562 255278

Stockton Borough Council also has a help line for parents/carers on 01642 527225

We will be continuing to send regular updates to parents and carers via our Facebook page and Website

Stars of the week!

Prince and Princess for excellent Maths and leadership skills.

Theo Donachie for kindness and trying really hard

Princess Harrison for great work on phonics.

Ben Naivalurua for fantastic dodgeball skills

Lucy Vickers for always being kind and helpful towards others

Villamina Naivalurua for trying really hard and working on good behaviour.

Mia McGreal for trying her very best to join in with others

Isabelle Adamson for great work in phonics

Kye King for helping to prepare and delivery packed lunch to children around school.

Freya Todd for trying extra hard to be patient, sharing toys and being kind to others.

Alex Cotterill - Stephens for bringing in his amazing home-schooling work to show to the class

Operation Phoenix: Anti-Social Behaviour

Over the summer months, police tend to receive more reports of **anti-social behaviour**.

As part of the re-launch of summer campaign Operation Phoenix, school liaison officers will be focusing on tackling the issues around anti-social behaviour (ASB) before the summer break.

Anti-social behaviour can be **frightening, intimidating** and leave people feeling **unsafe** in their community.

Some behaviours include;

- throwing stones at vehicles and properties
- hanging around in groups around communities in areas such as town centres and local shops
- using foul and abusive language to members of the public
- graffiti and littering, damaging equipment or play areas, and
- starting fires in rural areas.

Turn over to find out how to report any information regarding ASB.

Operation Phoenix: Anti-Social Behaviour

Using an intelligence-led, proactive approach, last year's Phoenix saw a reduction in frontline demand after the Force focused on key areas, such as anti-social behaviour.

If you have any information or have been a victim of anti-social behaviour, please report it to **Cleveland Police**.

You can report ASB to the police via the non-emergency 101 number or online on our website at cleveland.police.uk

Always call 999 in an ongoing emergency.

WELCOME

We would like to say a very big welcome to three new members of staff.

Miss Cloney will be teaching Yr4 class alongside Mr Turner

Miss Metcalfe will be teaching Yr alongside MRs Thurlwell and Mrs Baker

Miss Clayton will be teaching our Yr1/Yr2 class alongside Mrs Robinson

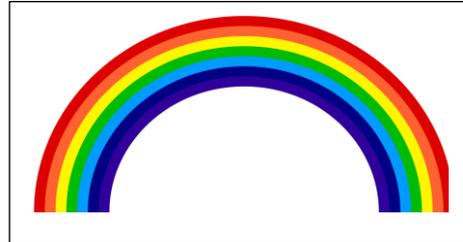

GOVERNORS NEWS

Dear Parents and carers,

Governors are working alongside school staff to continue support for our children and families, throughout the summer holidays, by organising food deliveries for all children as supplied by the Magic Breakfast Company, as well as Edenred lunch vouchers for those who qualify for Free School Meals.

Regards,

Liz Miller - Chair of Governors

As the screen shot shows the Full Governing Body of Tilery Primary School attended a virtual meeting on Thursday afternoon. They were pleased to hear in the Headteacher's report that, thanks to a lot of careful planning and the hard work of all staff, all of our children have had the opportunity to attend school for a few days before the summer holidays. We hope they have enjoyed meeting up with teachers and classmates after such a long time. We are delighted that despite current restrictions, the Holiday Club will still take place during the summer break. Hopefully the weather will be kind and the children will be able to take part in lots of healthy outdoor activities both at home and at school.

Stockton Sports Personalities of the Year Awards

Two of our Y6 pupils Letila Naivalurua and Brooke Thompson, have today been presented with Stockton Sports Personalities of the Year Awards.

Both girls have been incredible ambassadors for sport and physical activity in school. They have excelled in football but have also shown amazing talent across the range of sports in which we take part.

(Letila was last year's Tees Valley Howler Champion). They have both been integral in motivating and inspiring younger children to participate in sports and physical activities, especially younger girls who look up to them as role models. Their commitment and determination was rewarded when they helped our Girl's School Football Team reach the Tees Valley Finals this year - who knows what the result would have been if it wasn't for a Global Pandemic getting in the way! This commitment continues out of school, as both girls play in the local league for Norton & Stockton Ancients and have both represented Stockton District even beating Newcastle when they played them!

Sporting talent isn't the only reason these two girls have succeeded - their positive attitude, sportsmanship (Brooke was awarded a Sportsmanship medal from the Stockton team at last year's Tees Valley Athletics finals) and the way they demonstrate the School Games values is commendable. They will be missed when they move on to Secondary school and we wish all the best with their next sporting steps but they should be proud to leave us knowing they have had such a positive impact in inspiring our next sporting stars.
