

# FS2 Autumn Newsletter

Mrs Rowe, Mrs Taylor, Mrs Beamson, Miss Taylor and Mrs Edmiston have enjoyed welcoming all the children and are looking forward to starting your child's learning journey. It is great to see everyone back and to see new faces. The children have settled in brilliantly and are working very hard.

It is lovely to see so many children sharing books at home and coming in every day ready to learn.

The topic this half term is 'Me and My World'. This will include me, my home and my family, friendships, emotions and people who help us ( real life superheroes).

## Maths

Sorting objects, making patterns, colour, numbers 1-5 and 2D shapes.

## Phonics

Letters and sounds Phase 2

## PE

Friday mornings with Yoga James. Can children come in their PE kits/tracksuits please (no uniform).

## Contributions

This year's contribution money will be £8 a term. This money will be used wisely to help develop your child's learning. This half term your child will participate with a specialised music teacher. The cost of this of this is £140 for half a term, which when broken down is £4.85 a child. The children will also be participating in a 'Teddy Bears Picnic', where they will be preparing their own picnic food, provided by the school. The second part of the term will include lots of additional activities in the run up to Christmas. A break down of activities will follow.

We are currently setting up your child's individual login for the home learning App. More information will follow soon.

Don't hesitate to contact us if you have any queries, we will try and help as much as possible.

Thanks

From the FS2 team.
