**Spelling-** Each week we will be sending home spellings for the children to practice each night. Your child will have a spelling test on Friday afternoon. This helps us to identify any gaps in your child's learning, caused by COVID, And to tailor the learning to your child. I am confident that we will have your full support in this.

**Last of all-** A big thank you, for your continuing support. If you need to speak with us about any worries or concerns, or just a general chat about your child, we are always available before and after school. Thanks again, Mrs Pickering and Miss Maciver.
