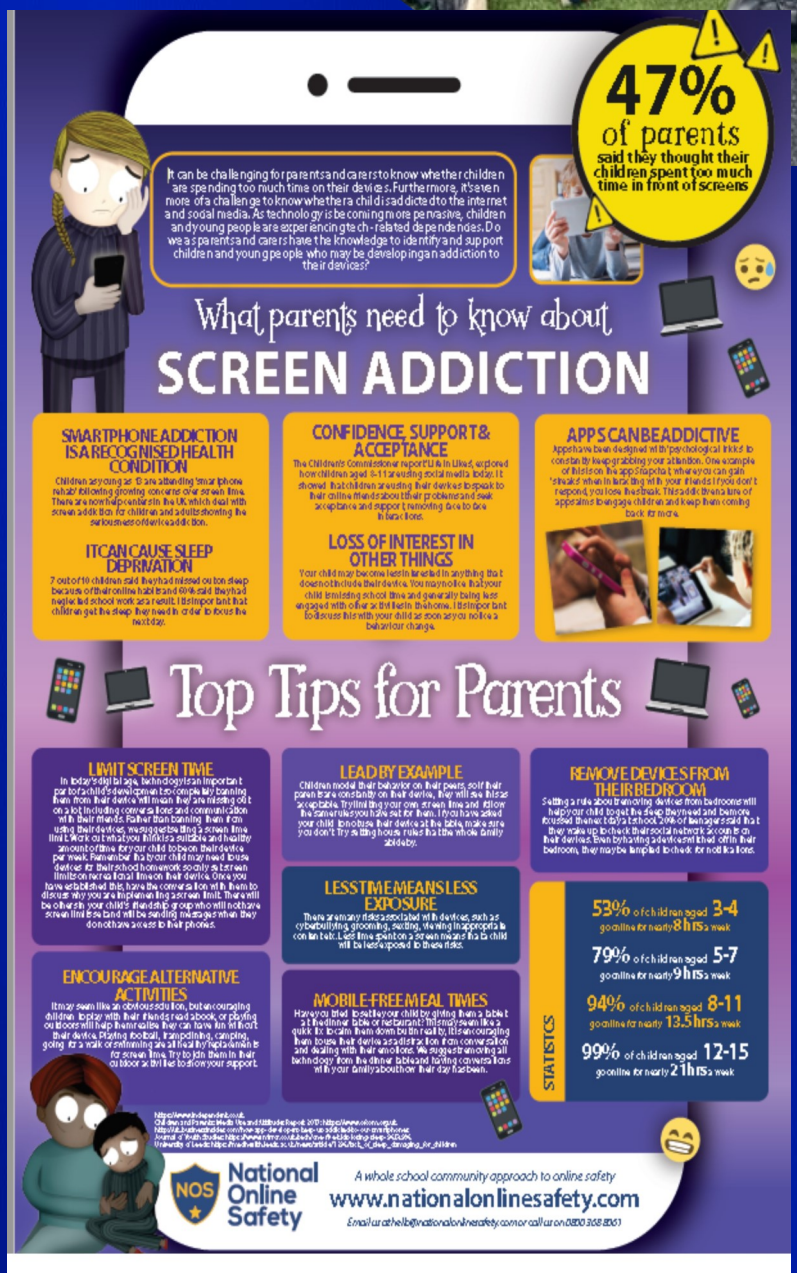
TILERY PRIMARY SCHOOL

JANUARY NEWSLETTER

Inspiration for Aspiration

https://www.tileryprimary.org.uk/



WELCOME

Dear Mums, Dads and Carers.

Happy New Year and welcome to the January Tilery Times. We have had a very busy start to 2024, with lots taking place in school and more to come as we move into February. It has been lovely to see the children back after the Christmas holidays. They have settled back into school and made a good start to the new term.

Thank you for your support this half term. Working together ensures we provide the best for our children and our community.

Enjoy half term when it comes!

Mrs Fender

Assistant Head Teacher

Schools Advice Project

Providing parents and guardians of school age children specialist and independent advice on a range of issues.

What is the Schools Advice Project?

There's a lot of pressure on families at the moment and so SDAIS is **providing help** to overcome the resulting problems.

The **Schools Advice Project** is working in partnership with schools of the Stockton Borough and their families by providing **free, confidential, and impartial advice** to the parents and guardians of school age children.

The project provides advice and support to **parents, guardians and school staff**. In doing so, we hope to provide a positive change to the children and families we speak to.

Email: schools@stockton-cab.co.uk

Tel (voicemail) - 01642 626104

How can we help?

We provide **free, independent, confidential and impartial** tailored advice.

We can advise and assist on a wide range of issues including:

- Benefits
- Debts and Budgeting
- Housing
- Family
- Employment
- Energy

If you need advice on any of these subjects, **we are here to help you**.

We can accept referrals from schools, or if you prefer you can contact us directly.

Get in touch today to see how we can help you!

Stockton-on-Tees BOROUGH COUNCIL

COMMUNITY

We have had our PCSO, Eric Barret in working with our Year 5 & 6 children delivering workshops around hate crime and developing their understanding of what is it and what can be done if they witness it. Our Year 1 & 2 children took part in a workshop led by the nurse ambassadors. This was part of our 'Inspiration for aspiration' work, giving children the opportunity to find out more about becoming a nurse in the future. Both groups of children found these workshops interesting and informative.

YEAR 6 BOOSTERS

Year 6 booster classes have begun after school on a Tuesday for all Y6 children. They are all working hard in their groups and looking forward to their reward for attending all sessions at the end of May. It is important your child continues to attend these sessions. Well done Y6 keep up the hard work

WHAT HAVE WE BEEN UP TO?

This week, the children in Mr Large's class attended a netball skills festival at Durham University led by sports leaders from a local secondary school. The children got the opportunity to practice their skills, have fun and play some games of netball. Today a different group of children from across Key Stage 2 attended Durham University to take part in a range of sporting activities. This was a good opportunity to try new things and all the children enjoyed it.

The Eco club continue to work hard around school, helping us to look after the environment. They visited classes before Christmas to talk about their role and what we can do to help look after our planet.

Children across school have enjoyed taking part in number day. As soon as we have counted the donations, we will let you know how much we have raised.

As always thank you for your continued support.

SCHOOL COUNCIL

A huge well done to these two pupils for securing their position as Chair and Vice chair of the School Council.

We are looking forward to our meetings and putting forward your ideas for our wonderful school.

Safeguarding In Our School

Parents and carers should be aware that the school has a duty to take reasonable action to ensure the welfare and safety of its pupils.

In cases where staff have cause to be concerned that a pupil may be subject to ill-treatment, neglect or other forms of abuse, staff will follow the Local Authority's Child Protection Procedures and inform Social Services of their concern. (Local Authority Guidelines).

We have two members of staff in school who work collaboratively with school staff and outside support agencies to improve the attendance, behaviour and well-being of our children.

You may contact them if you have any issues you want to discuss.

We ensure that all staff, volunteers and visitors have current DBS checks before working with children.

Our principles:

· The welfare of children, and their wishes and feelings, are afforded consideration when developing and carrying out school activities
· All children have equal rights to support and
· protection irrespective of their race, age, ability, gender, language, religion, sexual orientation and culture
· All staff and volunteers have a professional role to identify and respond to the needs of children and report any concerns immediately
