WELCOME

Dear Mums, Dads and Carers.

Welcome to the February Tilery Times. It has been another very busy month is school which began with the children and staff taking part in the NSPCC Number Day. It was great to see the very creative ways everyone chose to come dressed as a number and we had lots of fun and interesting number based activities.

The children in Mrs Turner's class completed their two week swimming block. All of the children worked extremely hard and made lots of progress to see. It was lovely to see the children standing up in assembly to receive their certificates. Well done everyone

All of the children and staff took part in 'dress down day' on Friday 8th February to mark the end of children's mental health week. This was to encourage children to see the importance of being themselves and that everyone is different. Throughout the week the children across school had been learning about mental health and what we can do to try and keep good mental health or who we can talk to if we need support.

The last day of the half term saw the long awaited return of TILERY'S GOT TALENT! It was great to see all the children in the hall singing, dancing and sharing their talents. It was a fantastic morning and the judges had a very difficult decision of choosing the winners. I would like to say a huge CONGRATULATIONS to the children of FS2 for their wiggle dance (They had the whole school & judges up wiggling!) and Jemima, Eniola, Sophia and Ayvah for their beautiful singing. A special 'best dancer' award was also given to Frankey for his amazing Hulk dance.

During the half term holiday Mrs Pickering, Mrs Chalmers and myself took some Year 5 & 6 children to the Globe to see The Ministry of Science Show. We saw some amazing experiments and learned lots of scientific facts! Mohammed was also invited up on stage to take part in an experiment.

The children in FS2 enjoyed having visitors from Zoolab in this week. The children and staff had the opportunity to meet and hold lots of interesting animals and creatures.

Our school councillors continue to be busy working on ideas for our school. They have been meeting with me to discuss these and look at a way we can work together.

We endeavour to keep parents up to date with school life. Information can be found on our school website, www.tileryprimary.org.uk and updates are regularly posted on Facebook. Please 'like' our page for updates. Information about what is happening in the Tilery Family Centre and after school is also shared in this way. Class information is also sent out via Seesaw. If you require log in details please see your child's class teacher who will be able to give you the log in details for their class.

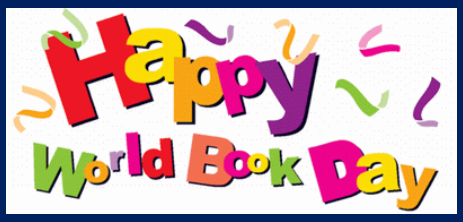
Thank you for your continued support. Working together ensures we provide the best for our children and our community.

Mrs Fender

Assistant Headteacher

World Book Day—Thursday 7th March

Children are invited to come to school dressed as their favourite character from their favourite book



Sports Wear Day—Friday 8th March

Children are invited to come to school dressed in sports wear. We have lots of sporting activities planned for this day so children must have trainers with them.

Please note this does not include year 5 or year 6

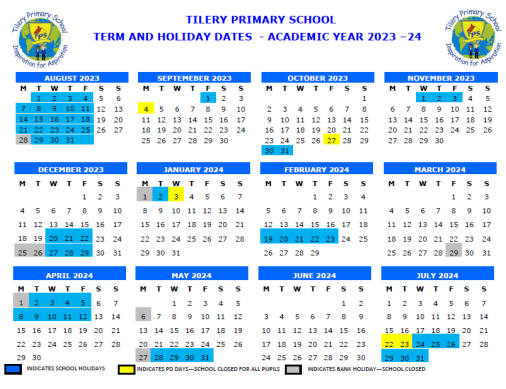
Thursday 28th March—Easter Service
Thursday 28th March—Break up for Easter holiday
Monday 15th April— Return to school
Monday 6th May - Bank Holiday
Friday 24th May - Break up for half term holiday
Monday 3rd June - Return to school
Friday 19th July—Break up for summer holidays



Head Lice

Recently, cases of head lice have been identified across the school and we wanted to make sure you were kept informed. Whilst lice are nothing more than a nuisance, it is important that children are checked on a weekly basis so that any head lice can be dealt with quickly and before they are allowed to spread. As there has been an outbreak, we suggest that you check your child's head as soon as possible.

Here is some simple advice you may wish to follow to keep head lice outbreaks to a minimum.

· Check your child's hair once a week.

· Use a proper detection comb – with teeth no more than 0.3mm apart to trap head lice. The comb is usually white in colour so that lice can be easily identified.

· If you find live lice, consult a pharmacist to check the whole family.

Further advice on the treatment of head lice can be found on NHS website.

Measles

There have been recent localised outbreaks of measles centred around the West Midlands.

Measles spreads very easily among those who are unvaccinated, especially in nurseries and schools.

What to do if you think your child has measles and when to keep them off school

Cases of measles are rising across England, including among children. It's an infection that spreads very easily and for some people can cause serious problems.

There's no specific medical treatment for measles, so it's important to get vaccinated as it's the best protection against becoming seriously unwell.

The measles, mumps and rubella (MMR) vaccine is one of the routine childhood vaccinations, so most children are already vaccinated against measles. If your child has received both doses of the vaccine, they are unlikely to have the virus.

What are the symptoms of measles?

Measles usually starts with cold-like symptoms, followed by a rash a few days later. Some people may also get small spots in their mouth. Find out more on the NHS website.

What should you do if you think your child has measles?

You should ask for an urgent GP appointment or get help from NHS 111 if you think you or your child may have measles.

Don't go to the GP or any other healthcare setting without calling ahead first.

If your child has been diagnosed with measles by a doctor, they should stay off nursery or school for at least 4 days from when the rash first appears.

They should also avoid close contact with babies and any-

A message from our new Parent Support Advisor

Hi everyone!

My name is Emily Hunnam and I'm the new Parent Support Advisor, taking over from Christine who will be retiring at Easter! I have over 4 years experience working as a Family Support Worker and I'm excited to bring everything I can to the role. You'll see me around school regularly so please come and say hello! I'm here if you feel you have any worries or concerns you would like to talk about or if you'd like any additional support or advice. I'm looking forward to meeting you all!
