WELCOME

Dear Mums, Dads and Carers.

Welcome to the March Tilery Times. It has been another very busy month is school with lots of events and activities taking place for different groups of children throughout school.

Keeping ourselves safe is always a high priority in school and this month all children have taken part in both a road safety and fire safety assemblies. These assemblies were led by the road safety team and the fire brigade.

A group of Year 5 and 6 children are involved in a project initiated by Drake the Bookshop and supported by The Canal and Riverside Trust at Tees Barrage, Teesside Archives and The River Tees Trust. The children have completed 2 sessions at Tees Barrage comparing the changes to the river and its industries over the last 300 years, they have measured Eels in the river as part of a survey for the Atlantic Fisheries and they have learned about the River Tees and its community as it is today. The next 2 sessions will take place at Drake the Bookshop, the children will work with children's author Lisette Auton, they will imagine the river in 100 year's time, they will then write a story, poem, drawing about their idea. The children's creativity will be displayed in an exhibition at The Arc arts centre in Stockton and then put into Teesside Archives.

Another group of children are taking part in an art project based on the River Tees. This project is being ran by the museum service. The project involves taking materials that have been dumped in and around the river and making a 3D model of the river from source to mouth. The model will then be displayed in Kirkleatham Museum.

We have also had a range of theme days this month. March saw the children across school take part in World book day, the biggest football day and Red nose day. During these days children had the opportunity to get dressed up, take part in a wide range of themed events and have fun.

Science week started with a special assembly which saw the children in each class receive the challenge of ' How amazing is…….?' During the week children completed investigations and experiments to prove how amazing their chosen challenge was. We had everything from how amazing is colour, air, plastic and paper? to how amazing are animals, states of matter and poo! Science week ended with an assembly which enables all children to showcase their findings. A big thank you to all the children, staff and Mrs Pickering for organising.

Sport is also something we really enjoy at Tilery and this month we have held our first inter house competitions of the year. All children in KS2 took part in a house dodgeball competition for the chance to earn extra house points for their house. We also had some Year 4 children attending Durham University to attend a tri-golf festival. This was something new for the children to try and they all enjoyed the event. Some of our Year 1 & 2 girls attended a Wildcat football event at Stockton Town. The event was aimed at encouraging girls to play football and learn new skills.

Our choir were recently invited t sing at the Mayoress' afternoon tea event which was held at Preston Hall Museum. The children sang beautifully and we were very proud of them representing our school. The children in our choir and music groups also had the opportunity to perform for their parents, staff and children as part of our end of term music concert. All the children work hard practicing their singing and instrument playing and it was lovely they had the opportunity to perform. It was also lovely seeing so many parents and carers being able to attend. I would like to say a big thank you to Mrs Vipond who works really hard to support the children in the music groups and choir and who put the music concert together. Hopefully we will have another concert towards the end of the summer term.

Thank you for your continued support. Working together ensures we provide the best for our children and our community. I hope you all have a lovely Easter break.

Dinner Money Payments

Can we please kindly ask that you please make sure that your dinner money account is not in debt and payments are up to date.

If your debt is greater than £25, we may ask you to make alternative arrangements for your child's lunch.

Thank you for your continued support.

This week, we say goodbye to Christine Pratt. Christine has been a big part of Tilery life for the last 17 years. Christine has worked alongside and supported many children and families during her time at our school and I know that pupils, parents, carers and the wider community will be as upset as we are to be losing her. She has also been on many residentials, school visits and led lots of forest school activities. I want to take this opportunity to thank Christine for everything she has done for our school and we hope she enjoys her retirement. We know this will not be the last we see of her.

BREAKFAST CLUB

Our breakfast club is open from 7:30am each morning. Costs is £2 per child per session.

Children are offered a range of nourishing breakfast foods and can enjoy socialising with their friends and peers.

There is no need to book .

We kindly ask that payments are promptly made through ParentPay

SITE SAFETY

Can we please remind parents and carers that we are a no smoking site—this includes vapes and E-cigarettes.

Can we also remind you to dismount bikes and scooters upon entering the school grounds. This is to ensure the safety of our pupils at all times.

Thank you for your continued support.

GOVERNORS NEWS

Please see message below from our school Governor Safeguarding lead.

Dear parents and carers,

Last week, we had a Safeguarding Review in school. The inspector looked at all aspects of Safeguarding and how we keep our children safe in school. I was overwhelmed at the feedback given and cannot wait to share the final report with you as soon as we receive it.

I would like to thank staff for all of their hard work in keeping our children safe.

Kelly Mole

Safeguarding Governor

Safeguarding In Our School

Parents and carers should be aware that the school has a duty to take reasonable action to ensure the welfare and safety of its pupils.

In cases where staff have cause to be concerned that a pupil may be subject to ill-treatment, neglect or other forms of abuse, staff will follow the Local Authority's Child Protection Procedures and inform Social Services of their concern. (Local Authority Guidelines).

We have two members of staff in school who work collaboratively with school staff and outside support agencies to improve the attendance, behaviour and well-being of our children.

You may contact them if you have any issues you want to discuss.

We ensure that all staff, volunteers and visitors have current DBS checks before working with children.

Our principles:

· The welfare of children, and their wishes and feelings, are afforded consideration when developing and carrying out school activities

· All children have equal rights to support and

· protection irrespective of their race, age, ability, gender, language, religion, sexual orientation and culture

· All staff and volunteers have a professional role to identify and respond to the needs of children and report any concerns immediately
