Geography

Year 1 and 2

Throughout the Year

Topic Weather

Rationale

The children will learn about the changes in weather a various points throughout the year. The children will study how the seasons change and the weather changes with the seasons. They will also study how these studies affect us as humans and animals. Use Twinkl 'Wonderful Weather' as a basis of unit.

NC Objective

- Identify seasonal and daily weather patterns in the United Kingdom
- use basic geographical vocabulary to refer to: key physical features, season and weather
-

Links to other Subject/Topics.
