Tilery Primary School

EYFS

What we want for our Children

To nurture, support and guide each child in developing skills, knowledge and experiences in a safe, engaging and challenging environment.

How we will Achieve this

In EYFS all children will receive-

- A broad and balanced EYFS curriculum that meets children's individual needs
- High quality teaching informed by quality planning
- Practice that provides opportunities for the different characteristics of effective learning
- Practice that follows the main principles of EYFS- A Unique Child, Enabling Environments, Positive Relationships, Learning and Development
- Access to a range of quality practical resources and equipment
- Access to the outdoors
- Indoor and outdoor learning opportunities
- Access to high quality continuous provision
- Enriching opportunities (visits, visitors to school, experience days etc.)
- A culture that promotes children's wellbeing and a feeling of safe space
- A quality learning environment that engages, inspires and welcomes
- A safe environment centred around the 10 areas of safeguarding and wellbeing

• A relationship between teaching staff and parents/carers, where children's learning journeys are shared through Tapestry
What the Outcome will be for Children
Children have a secure foundation and the best start to their journey in education and are happy and confident learners ready to take their next steps in school life.
