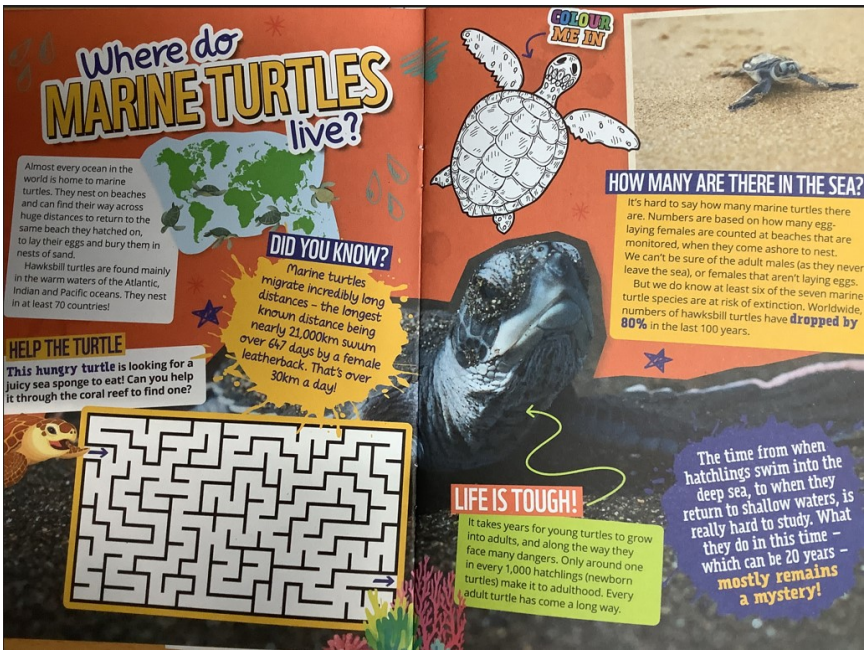
December Eco Newsletter

Adopt a Sea Turtle

We raised £180, in the Summer, by collecting coppers. In November, we sent the money to the WWF and Tilery Primary School have now officially adopted a sea turtle, so we are now doing our bit to help the sea turtles. Well done Tilery. WWF have sent us a stuffed sea turtle and over the next month we will be holding a competition to choose a name for the sea turtle. Please let your teacher know what you would like our Eco-turtle to be called. In the New Year I will be telling you all about what our Eco-turtle will be doing in school.



Fairtrade

As part of our work supporting Fairtrade, we are now a Fairaware School, we are supporting the charity, Transform Trade. At our Christmas Fair, you may have noticed me selling Christmas goodies, such as cakes and biscuits. All of the children, at school, took part in baking the Christmas goodies and the money raised will be sent to the Transform Trade charity. This also links with our PSHE enquiry question, How can I be part of something bigger than myself?
